Christmas Party

**Kura: New fic. And Snotlout is drunk in it. Adds a little humor, also, strawberry margarita's are really gopd alcohol free. Trust me! **

Sakura: The prompt/challenge for this was from 10 Days of Hijack by itsanauthorthing and was this...

_Prompt__ 8- Hiccup and Jack at a Christmas party. Challenge; Before they were dating._

"But Astrid!" Hiccup groaned as he was dragged into a building.

Astrid glared at him. "Come on, Hiccup. Ya need to get out more. Besides, my cousin's in town and I want to introduce you."

"You have a cousin?" Again, Astrid glared at him. Hiccup raised a hand in surrender as they entered a building. The room was pretty dark, except for the lights cokning from the DJ's table and the lanterns.

"Hey Merida, Rapunzel!" Astrid called to a red head and a brunette. Both girls smiled and waved to her and Hiccup, "Have you seen anyone with white hair and blue eyes? About...yay high..." Astrid held up a hand to a height of 5'6". 'So I'm taller than him, nice." Hiccup

thought. He stood at 5'7", so he was an inch taller.

"Nope," Rapunzel admitted, "but we can help you look? Guy or girl?"

"Guy, but he looks like a girl..." Astrid muttered.

"So he's wearing a dress?" Hiccup asked teasingly, "OW!" He rubbed his arm which was punched by Astrid.

"No. He'll be wearing a blue hoodie with frost designs and tan colored pants. And if I'm right, he won't be wearing shoes." The others just stared at her, but they shrugged and searched around. Hiccup sighed as he walked up to the bar, he was feeling the need for an alcohol free strawberry margarita.

"Let go!" A male voice snapped.

"Aw...but why...you're a pretty girl..." A drunk voice, also male, said.

"SERIOUSLY?!"

Hiccup chuckled and walked over to the comotion.

"Come on beautiful..."

'Wait... I know that voice...' Hiccup thought.

"I'M NOT A GIRL!"

"Suuuuure you're not... come on Jackie-poo..."

"IT'S JACK DAMN IT! JACK!"

"SNOTLOUT!" Hiccup snapped walking over. He shoved his cousin, who was seriously drunk, away from a white haired boy. "He usually isn't this annoying... he's just drunk."

"Yeah, I could tell when he stsrted gropping me and calling me a girl. I'm Jackson Overland. Better known as Jack Frost. Call me Jack."

"Hiccup."

"Bless you."

"No, that's my name, Hiccup."

Jack smiled.

"Wait... are you related to Astrid Hofferson?" Hiccup asked.

"Yes, but what does that have to anythi- WHOA!"

"SHE'S LOOKING FOR YOU!"

"OKAY, BUT I CAN WALK ON MY OWN!" Hiccup smiled sheepishly and the two found her, Merida akd Rapunzel at a table.

"Jack!" Astrid waved them over. "I see you met Hiccup."

"More like saved by..." Hiccup muttered, but the girls caught it.

"His cousin was flirting with me, thought I was a girl and he was drunk as hell. Fucking asshole..." Jack muttered, an embarrased blush creeping up his cheeks.

"Well, how about I take you out to dinner? I' ll make sure Snotlout isn't around." Jack smiled, "I'd like that, but you're gonna have yo talk to my Guardians first, last person I dated felt their wrath, he lost a tooth." Hiccup gulped, but smiled anyways. He liked Jack, and he was glad Astrid dragged him to this party.
